A complete application includes (1) this application form, (2) a 200 – 500 word essay “What has your high orchestra experience meant to you and how have you influenced and represented others while being part of the orchestra” and (3) a cover letter.

The cover letter should identify where you wish your scholarship to be sent when all documentation has been received, and indicate if you wish to defer payment of the scholarship for one year. (If you wish to defer, you must still apply for this scholarship by the deadline of your senior year of high school.)

No scholarship will be paid without proof of college enrollment. If you are awarded a scholarship, funds will be transferred directly to the college or university upon submission of the following: school name, address, and telephone number; the payee; and your college student ID#. This information can be mailed to Wolf-Tones, P.O. Box 1221, Danville, CA 94526. Additionally, your name and a copy of your winning essay will be forwarded to the McElroy family.

I give permission to Wolf-Tones to verify my current high school grade point average and participation in the orchestra at SRVHS for four years with the SRVHS Counseling Department.
